

The SUN goes down,
The STARS come out. And all that count is here & now
My Universe will Never Be the Same...
I'm GLAD you came.

Have you seen that girl have you
Seen Her?

She's the freakiest thing, you gotta need her.
You'll do whatever it takes to get her by your
side... It's not the way she smiles with little
laugh.

It's not the way she looks in photograph.

But all the boys, they crowd around

SHE can't sing

SHE can't dance

But who cares

She walks like Rihanna...

You know I want you

It's not a secret I TRY TO HIDE
